

## **Site Superintendent**

### **Company Description**

Terry's Landscape is a rapidly growing, family-owned company located in Katy, Texas. Since 2011, we have provided commercial landscaping clients across Greater Houston with high-quality construction, maintenance, enhancement, and irrigation services. We offer exciting career paths in an enjoyable environment and describe our mindset as "Growing People, Growing Plants." Our mission is to enrich the lives of team members while providing exceptional service to our communities and having fun in the process.

Terry's Landscape offers:

- Outstanding team culture based on positivity, accountability, personal growth, and safety
- Hands-on job training and leadership development
- Excellent opportunities for advancement
- Fun team-building events
- Competitive pay and benefits

### **Job Description**

The Site Superintendent drives the coordination and installation of assigned commercial projects from start to finish. This position also delivers assistance to the field crews and provides regular project updates to the Landscape Construction Manager. Key responsibilities associated with this position include:

- Conducting pre-construction meetings and reviews with subcontractors, architects, and crew foreman
- Ensuring field crews possess the tools, equipment, and materials required for each installation project
- Coordinating the timely delivery of irrigation, soil, mulch, and aggregate materials onsite
- Supervising field crews during installation processes
- Reviewing actual vs estimated production costs and identifying sources of variance

### **Essential Qualifications**

- Sharp eye for installation details and knowledge required to troubleshoot wisely and efficiently
- Ability to read construction plans and communicate detailed instructions to crew members
- Strong organizational skills and comfort managing multiple projects simultaneously
- Managerial talent to drive desired level of performance while promoting a positive workplace
- At least one year of landscape installation experience
- At least 18 years of age with legal authorization to work in the United States
- Valid driver's license

### **Desired Qualifications**

- Bilingual in English and Spanish
